About catalog items

■ Products marked " ● "

The chains with ● are welding chains.

Our welding chains is produced by laser or plasma welding. Compared with soldered chain, welding chains are less tarnish and less deformation by heating.

Welded chains are different from soldered chains in below points.

1) Measurement differs from same item number in soldered version.

2) Please pay attention to "punching" process. We recommend to use suitable punching tool.

Please contact to our sales staff for tool supply.

■ Although the products on the catalogue are closed to actual size, the size may be different due to polishing etc. Please kindly understand.

Also, because the size information is approximated size, we recommend customers to check the actual sample. Due to photo shooting and printing, actual products may look slightly different from pictures.

■ Due to improvement of products, the specifications or appearance of products will be changed without notification.

Please kindly understand that products may be discontinued without notification.

■ 9 or 11 digit number is our item code.

2) 如使用錐子，請注意，我們建議使用專用的錐子，詳情請與我們的銷售員查詢。

■ 關於目錄中產品的刊載

刊載的尺寸或外寸，均為大約尺寸。

建議查看實物樣本確認。

■ 為了改良產品，可能在沒有予告情況下改產品規格及外觀

萬一產品突然停產，敬希見諒
